IMPORTANT REGISTRATION INFORMATION

Registration Forms

The 2023-2024 paper Registration forms and online links are now available on the [Registration](#) page of the Board's website. All CPAs, PAs, NLOs and Firms must submit a 2023-2024 Registration Form no later than **December 31, 2023**. Forms submitted after December 31, 2023 are subject to a late renewal penalty of \$100. Forms submitted after February 29, 2024 are subject to a late renewal penalty of \$500. Disciplinary action will be taken for anyone who has not registered after March 31, 2024.

Instructional Video

A helpful video is available on our website to assist with any questions you may have with creating an account and/or uploading your CPE for the online registrations. The link to this video can be found on the [Registration](#) page of the Board's website.

CPE Reporting

CPE reporting is completed on your annual registration form each year. Please make sure to have your CPE certificates of completion in hand when you complete the CPE reporting portion of your registration. Make sure that you have independently verifiable evidence of completion for 40 hours of CPE, including 8 hours of accounting and auditing CPE and 2 hours of ethics CPE.

CPE Extensions

CPE must have been completed by September 30, 2023. If you find that you did not complete the required hours, please email [Ashley Sides](#) to request a CPE extension. In your email, please include your name, certificate number, the date by which you plan to have your CPE completed, and the reason you need the extension. CPE extensions that extend beyond December 31, 2023 will mean that your late registration will be assessed the applicable late penalty.

False Attestations

The Board strongly advises licensees who have not completed their required CPE to reach out to the Board office. Do not falsely attest completion of CPE courses in order to renew your license as active. Licensees who falsely attest to completion of CPE could face disciplinary action that may include possible censure or revocation, making up the deficient CPE hours, completion of an additional ethics course and substantial fines. The Board encourages licensees to change their status and renew as inactive status rather than falsely attest CPE completion. (Please refer to Board Rules pertaining to [Inactive status](#).)

If you have any questions regarding registration, please contact the Board office.

DISCIPLINARY ACTIONS

For a complete listing of disciplinary actions from 2002 to the present, please visit the [Board's website](#).

The facts of each case vary greatly and the Board's ruling is based on the merit of each case.
